Dear FCC:

Instead of wasting time attacking radio and TV stations for bad "behavior", try providing a real service to people who suffer from your idiotic decisions: namely, do not allow the CBA to impose the "established business relationship" exemption on Indiana consumers.

I will be contacting all of the banks of the CBA that are attempting to push this through and voice my strong objection to them as well.

Isn't it time that you all did something that used a little common sense?

Sincerely,

Jeff Stouse
